

MEADOWSIDE FOREST SCHOOL

~where learners grow~

THE FOREST SCHOOL ETHOS

Forest School is a unique educational experience and process that offers children the opportunity to succeed and develop confidence and self-esteem through hands-on learning experiences in a woodland environment.

Children engage in motivating and achievable tasks and activities throughout the year and in almost all weathers. Children will work with tools, play, learn boundaries of behaviour, develop their social and communication skills, grow in confidence, self-esteem and motivation whilst developing an understanding of the natural world.

At Forest School we encourages children to:

- develop personal and social skills
- work through practical problems and challenges
- use tools to create, build or manage
- discover how they learn best
- pursue knowledge that interests them
- learn how to manage failures
- build confidence in decision making and evaluating risk
- develop practical skills
- understand the benefits of a balanced and healthy lifestyle
- explore connections between humans, wildlife and the earth
- regularly experience achievement and success
- reflect on learning and experiences
- develop their language and communication skills
- improve physical motor skills
- become more motivated
- improve their concentration skills
