A message from Mr Wright

Good afternoon everyone

I hope that you and your families are all well.

Further to the letter I sent out on Monday, following the PM's announcement, more guidance continues to be released to schools from the Department for Education.

The link within this letter will take you to the latest government guidance for parents. This document may help with to answer some of your most pressing questions.

<https://www.gov.uk/government/publications/closure-of-educational-settings-informationfor-parents-and-carers/closure-of-educational-settings-information-for-parents-and-carers>

I would like to reiterate that we are working closely within our Trust and with leaders across Warrington and the Local Authority on how we can manage reopening, all with the priority to keep children, families and staff as safe as possible.

More information will follow in the coming week when there is potentially an agreed approach across the town and I can offer you clear details with regards to how the partial return will be implemented for Y6, Y1, Reception and Nursery.

Thank you for your continued support.

Take care

Mr S. Wright
Headteacher

Home Learning News

Year 2 have been getting creative this week learning about the artist Wassily Kandinsky.

Lots of children in **Reception Class** have practicing their talking through the app Chatterpix Kids as part of their Thursday challenge. We have had talking apples, talking dogs, talking reindeers and even a talking elephant. More importantly we've had lots of fun giggles taking part!

Reading Challenges

Thank you to all our families who have completed our reading challenges over the past couple of weeks. Reading for pleasure makes such a difference to your child's educational performance and something that you can do together and share at home. Every week your child will be selected a different book to read and complete a challenge, so please make sure that you complete this task as part of your home learning.

VE Day Celebrations

Last week we celebrated the 75th anniversary of VE day, the end of The Second World War. Our very own Mrs Barrow made her own Anderson shelter and posted a video for Year 2 with the air raid siren sounding in the background! Soon hopefully we will all be back together and be able to have our very own celebrations!

A Message From The Office

We are now up to date with Free School Meal vouchers with Edenred, the government website. We have spoken to a number of parents and they have received those vouchers successfully. The next two weeks have already been ordered and they will come through direct to parents' emails from Edenred. Thank you for your patience with this system.

Learners of the Week

Daisies	Lenny Sunderland
Sunflowers	Lachlan Stanger
Reception Elm	Krístyna Kvasníckova
